3. Motions:

Motion One: Entz Grant

This JCR notes that:

1. It is the role of the Entz team to quench the JCR's thirst for fun.
2. This can cost quite a lot.
3. Because of said expense, the Entz team are in need of more money to carry on providing high quality entertainment for the rest of the year.

This JCR therefore resolves to:

1. Provide the Entz team with a one-off grant of £1,000 to cover the cost of the remaining BOPs for HT13 and TT13.
2. Provide this grant on the condition that the team promises to ensure that there will always be at least £500 available for each remaining BOP of the financial year before organising over events, that they supplement the cost of non-BOP events through a normal JCR motion, and that they make this clear to their successors.

Proposer: James Newton

Secunder: Georgie Clifford

Issues Raised:

- Entz team can come to the JCR for funding.
- How much does it cost to put on a Bop? **Reply:** £500-600.

THE MOTION PASSES.

Motion Two: Bar Sound System

This JCR notes that:

1. The bar has been without a sound system for two terms now.
2. Without a sound system the bar's TV and jukebox cannot be used.
3. The JCR's sound system is being used in the meantime and is causing prolonged wear to expensive equipment that needs to be maintained for BOPs.

This JCR believes that:

1. It is a solemn responsibility of the JCR to maintain the bar for current and future generations.

This JCR therefore resolves to:

1. Supply the Hall and Bar Manager with £150 to purchase a new sound system for the bar.

Proposer: James Newton

Secunder: Alex Connolly

Issues Raised:

- **Proposer:** The sound system in the bar is broken, we are paying for it because the bar is struggling financially and cannot afford it itself. Matt is talking about having game consoles in the bar.
- Will the MCR be providing any money? **Reply:** No, they don't use it for Bops.
- What happens if the close the bar? **Reply:** changing what the bar is so it would still be used.
- Where did the figure come from? **Reply:** Gerard has found a 2nd hand system.
- Shouldn't we as a JCR find one? **Reply:** Not necessary, it's a standard system.
- Is the tv on sky? **Reply:** No, we would have to pay higher rate if we did.

THE MOTION PASSES.

Motion Three: Foldable Table-Tennis Table for JCR

This JCR notes that:

1. A table tennis table in the JCR would provide Keble students with a lot of fun.
2. A foldable table tennis table could be folded up and put in one of the corners of the JCR so it wouldn't even take up much space.
3. There is a foldable table tennis table on amazon for £69.99 (only 4 left in stock)
http://www.amazon.co.uk/FOLDABLE-PORTABLE-TABLE-TENNIS-PING/dp/B0066CWOH8/ref=sr_1_1?s=sports&ie=UTF8&qid=1358437600&sr=1-1 which I could order with the financial support of the JCR.

This JCR therefore resolves to:

1. Donate £69.99 towards a foldable table tennis table.

Proposer: Imola Atkins

Second: Esther Hodges

Issues Raised:

- **Second:** It would be nice to have one.
- There already is one in basement of Arco, could we retrieve that one? **Reply:** We need space for storage and the paintwork might get chipped.
- What goes in the corner? **Reply:** New furniture so we need space for that.
- Second postpones motion to investigate the one in Arco.
- It could go in the bar? Luka (VP) and Laura (Acc & Food & Drink) discuss this with Matt?

FRIENDLY AMENDMENT:

In “**This JCR therefore resolves to:**” point 1 is deleted and replaced with “1. Mandate the Vice President and Accommodation Officer to investigate the Table Tennis Table in the ARCO basement and lobby college to move it to the bar.”

THE MOTION PASSES.

Emergency Motion: Motion Four: OUSU

This JCR notes that:

1. OUSU is an integral part of student life in Oxford
2. OUSU is suffering from a publicity crisis
3. Keble's closest link to OUSU is through its OUSU Representative
4. Mike Fedosiuk, Keble's OUSU Rep, received some dashing OUSU stash for his birthday last term.

This JCR believes that:

1. It is the responsibility of our OUSU Rep to spearhead the revival of OUSU in Keble.

This JCR therefore resolves to:

1. Mandate Mike Fedosiuk to wear his OUSU stash, both polo and hoodie, to **all** JCR and OUSU events.

Proposer: James Newton

Secunder: Junho Hyun-Sach

Issues Raised:

- **Proposer:** We have purchased the OUSU Rep some beautiful stash - the jumper is especially lovely. These events would include Bops!
- Maybe he could wear either/or but if possible then both. ***Proposer takes it as a friendly amendment.***
- What does he wear for his trousers? **Reply:** OUSU leggings.
- Surely he should sing as well?
- Would his successor have to wear it as well? **Reply:** No, probably not.
- **Speech Against:** Last year there was the vote that you are allowed to wear any gender clothing in examinations, so this JCR is involved in forcing someone to do this.
- We could buy you a dress? **No response.**
